A LETTER FROM OUR *President*

We did it!!! Huntsville Junior Service League is proud to announce that we have a \$25,000 Endowed Scholarship with SHSU. The goal of this scholarship is to continue the legacy of JSL and provide an outstanding education & mentorship with many students to come. We will continue our fundraising efforts until we reach \$50,000 endowed scholarship status. This year we welcomed 21 provisional members! Each lady brings a tremendous amount of enthusiasm and love of service to JSL. This year the provisional class will initiate a service project they can call their own. The provisional class will build a bond and lasting legacy for future members with their 'Service First' attitude. As our organization continues to grow we ask that you continue your efforts supporting and praying for this wonderful organization. Here's to another fantastic year! *Laura Dougherty*

Endowed Scholarship

At the August 12th monthly meeting the membership unanimously approved the proposal to implement the Huntsville Junior Service League Endowed Scholarship at SHSU. Currently, the scholarship will pay out every other year until we reach the ultimate goal of \$50,000, which will pay out EVERY year.

You can help! If you work for SHSU consider contributing your annual fund pledge directly to the endowment thru payroll deduction. If you do not work for SHSU, you can still contribute through employment matching! Contact Paige Loft at paigenpooh@me.com for more info!
