### A LETTER FROM OUR *President*

We have wrapped another fabulous year! The Ladies of Junior Service League continued to surprise me with their efforts to influence and serve the community. Our service projects and volunteer opportunities netted over 2350 hours among only 53 members!

Our Fall & Spring fundraisers were a true success raising approximately \$12,000. Our goal was to give \$5,000 to the Endowed scholarship each year, but instead made an \$8,000 deposit this year in hopes to reach the \$50,000 goal sooner.

The provisional members worked diligently all year round participating in numerous projects, and left a profound impact on the patients of the Huntsville Cancer Center by providing care bags to enjoy during treatments.

Congratulations to Susan Cason, Molly Davis, Heather Johns, Sarah Mallory and Morgan Newman who have completed their seventh year of service and become Sustaining Members! Thanks to each of you for your service and leadership!

It has been a pleasure serving the league as President the past two years, and experiencing the influence we have on each other and the community. I'm looking forward to seeing the opportunities and advancements Kelsey Christian, President elect, will bring to the League and Walker County. We look forward to your continued presence and contributions to the efforts put forth for the past 40 years serving this wonderful community.

*Warmest Regards,*

*Laura Dougherty*
